PLAYGROUND

Over the summer holiday we had some exciting new equipment installed on the playground. A safety inspection was carried out on Monday 4th September and a certificate issued. In order to ensure that there is a safe number of children using it at any one time, the rota below will be used. We hope that the children have fun!

Mrs. Deeley will be running the London Marathon this year to raise money for the NSPCC. We will be holding several fundraising events in school to support her with this throughout the year. Next week children will be able to buy a raffle ticket to win Brian the Bear! Tickets are 50p each and will be available in school all week.

Attendance

Children's attendance **must be 95% or above**. Prizes are awarded at the end of each term for all children who have an attendance figure of 96% or above. The class with the highest attendance each week will be rewarded with an extra day on the playground equipment. Our whole school attendance figure is improving each year – thank you for your support.
